

## EC Women's Ministry Update - April 2024

There's lots of activities in the Women's Ministry this month and we're so excited to share how the Lord has been blessing us through the Word and a community of women in different life stages.

"Our mission is to grow and connect with women of all ages and stages of life to encounter Christ's gospel, embrace Christ's bride, equip Christ's body, and embody Christ's mission."

### **What's been happening:**

- **Large Group on 4/7: *Faith and Health - A Woman's Journey***

We had a wonderful time of fellowship and learning about women's health. For those of you who couldn't make it, we missed you and hope you can join us next time! We had 3 wonderful guest speakers to give us their insight on women's health. Yaeun is an NP and shared with us about aesthetic health, but most importantly our posture and intentions behind wanting to keep our skin healthy. Dr. Tina is a PharmD and shared with us about the effective use of medicine and how to build immunity. Pastor Kay an LPC, ACS and how both your mental and physical health play a big part in keeping our spiritual walk healthy. We want to extend our heartfelt gratitude to our guest speakers once again for their time, insights and words of wisdom- may the Lord continue to bless you in your professions and ministries!

*“Now may the God of peace himself sanctify you completely, and may your whole spirit and soul and body be kept blameless at the coming of our Lord Jesus Christ.” – 1 Thes 5:23*
